# Countryside Montessori School

## Summer Camp

### **Montessori Class Time**

At Countryside Montessori School, an emphasis is placed on quality education for young children. Due to this emphasis we feel our summer program would not be complete without the addition of Montessori activities. Part of the child's time in the summer program is spent in the Montessori classroom. We believe both new and returning children benefit greatly from the experience.

For our summer program, we carefully prepare our environment with a wide variety of theme-based learning materials. Under the direction of the teacher, these learning materials are used to individualize learning and to enable children to proceed at their own pace. This approach promotes independence, self-confidence, self-discipline, and a joy of learning in the child.

### **Arts and Crafts**

Children participate in a wide variety of arts and crafts activities. Activities vary from construction type activities to painting and individual expression. Examples of previous activities include: ceramics, collage, wooden picture frames, mosaic, and many more art media. Children are encouraged to engage in the art activities and get creative!

### **Pony Rides**

The children have the opportunity to have a pony ride each morning. Pony rides are given by our two resident ponies, Apple Jax and Noelle. Pony rides for children in Senior Camp start promptly at 8:30 a.m. Pony rides for the children enrolled in the Toddler Camp begin no later than 9 a.m. The children should be encouraged by their parents to participate in pony rides; the children are not forced to ride the ponies.

### **Swimming (Senior Camp)**

The Countryside summer program provides swimming instruction for one hour each day. Our salt water pool has a depth of four feet. There is always a lead swimming instructor in the pool at all times along with additional staff. An additional staff member is required to walk around the pool deck supervising the children in the water. Children wear swim vests and are closely supervised. Safety is a primary concern at Countryside! Children **must** be 100% potty trained, without the use of pull ups, in order to participate in the swimming portion of camp.

### **Water Play (Mom's Day Out (MDO) Camp and Toddler Camp)**

The children enjoy a variety of water activities, including pouring, spraying, and painting with water as well as playing with boats and cars, babies and also creating foam masterpieces with foam shapes.

### **Full Day Program (until 3:15 p.m.)/Extended Day Program (until 5:30 p.m.)**

The activities in the afternoon vary each day and will include: science experiments, water play, art projects, sports & games, outdoor free play, and more! This is when we can do some more involved fun stuff like making volcanoes and tie-dying! A lunch and afternoon snack are included in both the Full Day and Extended Day rates.

**MDO SUMMER CAMP IS ON A WAIT LIST FOR NEW CHILDREN TO OUR PROGRAM**

Our **MDO Camp** is available for 2-5 days per week. Please mark the appropriate boxes for the days you wish to enroll your child. (minimum is two days per week)

The MDO Camp hours are **8:30 a.m.-12:15 p.m.** instead of 8:15 a.m.-12:00 p.m. as a safety precaution during pick up time. We also have a full day and extended day option available.

If you have an older child enrolled in either Toddler or Senior Camp you would drop off your older camper first at 8:15 a.m. and then your MDO Camper. At pick up time, you would pick up your younger child first at 12:15 p.m. and then your older child should be finished with lunch by the time you get to their classroom.

MDO Campers will need to bring diapers, wipes, and a change of clothes. Campers will arrive in their swimsuit with sunscreen already applied. Countryside will provide a snack and lunch. Our Toddler and Senior Campers do not eat lunch during the half day program.

I wish to enroll my child/children in the following **MDO Camp** Session(s):
